

**From
Our
Prez. . .**

name with **Robin Celkupa's**, add **Andi Mitchell, Fred Oldenburg** and **Frank Seufert**, and we have done a good job this past six months. Let's get even better... ☺

This Week. . .

- **TODAY:**
StarSearch meeting at Joe's, 6:30 pm
- **Wednesday: Wear your Kiwanis shirt!**
- **Wednesday's Speaker:**

Well, what about them Huskies and Hawks? Jake Locker leads the football team past Nebraska in the "you name it" Holiday Bowl, the Husky basketball team starts PAC-10 play with a sweep of the L.A. schools, and the "Who Dat" Hawks win the NFC West and will play New Orleans next Saturday in a first round playoff game. All is well in the Pacific NW... ☺

Speaking of the PNW, I trust you all received your copy of the PNW District Kiwanis Builder magazine this past week and saw **Sherry Mattiassi's** excellent article (p.20) on our club's **Pet Remembrance Tree** fundraiser from last year. Our Division 34 is in Zone F (Olympic Peninsula) of PNW Kiwanis District and Sherry's article was the featured article for our Zone... Great article, **Sherry!!!** Thanks for all that you do for our club!

Finally, as we enter into 2011, continue thinking of potential new members you might invite as guests to our Wednesday morning club meetings. Page 24 of the "Builder" lists how the clubs of PNW divisions have done since July of 2010 with respect to new member recruitment. We can replace **Kari Markovich's**

Deep Thoughts

Bits of Wit & Wisdom

- I am not over weight. I am a nutritional overachiever.
- I plan on living forever. So far, So good.
- Practice safe eating – always use condiments.
- A day without sunshine is like night.
- It's frustrating when you know all the answers, but nobody bothers to ask you the questions.
- It's frustrating not only to say the right thing at the right time, but also to leave unsaid the wrong thing at the tempting moment.
- Brain cells come and brain cells go, But fat cells live forever.
- Age doesn't always bring wisdom. Sometimes it comes alone.
- Life not only begins at forty, It also begins to show.
- I smile because I am your friend! I laugh because there is nothing you can do about it.

A New Year Prayer For the Elderly

God, grant me the senility to forget the people I never liked anyway, the good fortune to run into the ones that I do, and the eyesight to tell the difference.
