From the Prez

Auditions were judged by, **Dick S., John. H. Larry Miller, Susan H. and Joe L.** For those who attended the event, these judges picked phenomenal talent for the show.

Equally important for the event were the non-Kiwanian bar-staff led by **Greg Stalker.**

Bar tenders: Duncan Plymate and Tom Bird. Bar Servers were Trish Kump, Teresa Murphy, and Danielle Rouseau.

Committee members, **Pat R., Connie, and Rich,** secured the Judges for the event: **Jeni** was able to talk Jim Borgen to be our M. C.. who made the evening fun and run smoothly.

Finally, we must thank **Joe** for organizing the event of the year! Thank you Joe!

From John B:

GOLF BALLS!!! Please bring a dozen golf balls to the next meeting!! If you forget, bring a check for \$20 made out to the GH Kiwanis Foundation (It is a donation!!) I would like to have this all wrapped up this month. These golf balls go in the goody bag each participant gets on sign in for the tournament. Please take care of this now!! Thanks!

KiwaNotes

From Jeni:

As Fundraising Chairman, I would like to **brag** about the committee members and non Kiwanis members who contributed so much to the Gig Harbor Star Search event. The fundraising committee is always ready to help with any fundraising endeavour, and the very successful Star Search was no exception.

I would like to thank **Sherry M.** for securing our pre-show entertainer, **John Hoover** who not only entertained, but provided **our sound system for the event!** In addition, John helped our entertainers with their particular needs for the show. He was amazing!

I would also like to thank **John H.** for his diligence with the editing of the program that **Sylvia** provided for everyone who attended the event. **Connie, Dee, Pat, Sherry, Virdie and Susan** are always ready to decorate, decorate, decorate, and they did a wonderful job, along with John Mattise with setting up the event and decorating the tables. **Jim B** made himself available to help in many ways - **Jim** often goes above and beyond.

Inspiration

From Nick:

I'm looking for your help getting the word out for the Golf Tournament this year. I know that some of you are golfers and will be trying to put a team together for the event. Remember - even if you can't put a whole team together, you can still play. We'll match you up. But I also know that each of you knows someone who is a golfer, and probably have them in your email address book. So here's what I'd like you to do:

1. If you are playing in the tournament please let me know right away, including whether or not you will be trying to put a team together.
2. If you know one or more people that are golfers, please encourage them to sign up. I have attached a flyer that you can email or print out and give to them.
3. If you are a member of any other organizations that might have golfers interested in playing, make an announcement and give them a flyer or direct them to our website.
4. If you think you have a "live one", I am happy to follow up if you don't want to. Just give me their name and phone number.

Thank you in advance for helping out. If everyone takes a little time to sell the tournament, we should have a very successful event

Deep Thoughts

From British Newspapers: Heard on the London Underground Tube

- 'Let the passengers off the train FIRST!' (Pause) 'Oh go on then, stuff yourselves in like sardines, see if I care - I'm going home....'
- 'Please allow the doors to close. Try not to confuse this with 'Please hold the doors open.' The two are distinct and separate instructions.'
- 'Please note that the beeping noise coming from the doors means that the doors are about to close. It does not mean throw yourself or your bags into the doors.'
- 'We can't move off because some idiot has their hand stuck in the door.'

- 'To the gentleman wearing the long grey coat trying to get on the second carriage -- what part of 'stand clear of the doors' don't you understand?'
