## *Deep Thoughts*

### **LINES TO MAKE YOU SMILE, from Gene**

- Stupidity is not a handicap.  
Park elsewhere!
- He who dies with the most  
toys is nonetheless dead.
- A picture is worth a thousand  
words, but it uses up three  
thousand times the memory.
- Ham and eggs: a day's work  
for a chicken, a lifetime  
commitment for a pig.
- The trouble with life is there's  
no background music.
- The original point and click  
interface was a Smith and  
Wesson.
- I smile because I don't know  
what the hell is going on.
